

Shoe Boxes of Love for Christchurch

Thank you to those who have collected a shoe box from the office and returned it filled with special treats for someone in Christchurch. It's not too late to put a package together as we will deliver the boxes to MP Louis Upston's Cambridge Office late next week.

The Year 6's Easter Raffle will be drawn next Tuesday so there is still time to get a ticket or two. See any Year 6 student to purchase a \$2 ticket.

It's nearly the end of term and time to return all school library books, journals and readers. Please have a good look around home tonight and put any you find in your child's book bag.

Thank you.

Mrs MacKenzie and her Room 3 students presented a very entertaining assembly last Friday. They displayed their art deco stained glass windows created by using the computer to make colourful pictures incorporating art deco shapes. These pictures were copied onto transparency film and framed to look like a window. They also made a power point presentation featuring their project to build earthquake proof houses.
