The students in Room 2 have been doing a unit on Worms. A collage picture was part of the study and four of the resulting artworks are shown above. The students have effectively shown worms in a series of tunnels and the castings at the top of the hole.

COSTUMES

Keep a look out for notices with regard to concert costume requirements over the next week or so and please reply to these requests as quickly as possible. Thanks.

The free ear clinic service for children will be stationed at Leamington Primary School on Friday the 25th of November from 9.15am until 2.30pm. If you have concerns about your child's hearing phone 07 858 1068 for an appointment.

Remember to check the red lost property box when you are next at school. Swimming season seems to produce a lot of unclaimed clothing so please name all your children's items. Thanks.
